

ERASMO coprivasi vase covers |

ERASMO coprivaso vase cover —

Una linea di coprivasi che si compone di elementi di differente diametro e altezza. Possono vivere come elementi singoli o insieme. Geometrie semplificate ed essenziali che sorprendono per il gioco di cromie e il contrasto tra le superfici levigate e ruvide che li rivestono.

A line of vase covers cover made up of elements of different diameter and height. They can live as single elements or together. Simplified and essential geometries that surprise for the play of colors and the contrast between the smooth and rough surfaces that cover them.
