Componibili e personalizzabili, con dimensioni e altezze diverse, i nuovi tavolini Fondamenta sono un richiamo al design modulare di un tempo e si distinguono per equilibrio estetico e formale. Disponibili in vari colori e nelle nuove finiture, frutto di un importante processo di sperimentazione tra la designer e l'azienda.

Modular and customizable, with different dimensions and heights, the new Fondamenta side tables are a reference to the modular design of the past and stand out for their aesthetic and formal balance. Available in various colors and new finishes, the result of an important experimentation process between the designer and the company.
