

Famiglia di tavoli da pranzo: il sottile piano, rotondo o quadrato, si combina con il basamento scultoreo composto da un fascio di quattro elementi pieni e bombati, esaltando al massimo tutte le connotazioni estetiche del **CIMENTO®**, sia nell'uso su superficie sia nella tridimensionalità.

*This family of dining tables is characterized by the thin top, round or squared, combined with the sculptural base composed of four full rounded elements, enhancing all the aesthetic connotations of the **CIMENTO®**, both in its surface and in three-dimensional use.*
