

VOLT 678

DESIGN:
CLAUDIO DONDOLI AND MARCO POCCHI

Volt barstool, with its pure volume and its well defined lines is the result of excellent selection of the best technologies and researches in plastic materials. The compact size and ergonomic shape ensure functionality and comfort. The footrest on three sides, like a bend, grants the stackability. Made of polypropylene, injected with gas air moulding and reinforced by fiberglass, the Volt barstool is available in the same range of colours of the chair. Seat height 765 mm.
