Una famiglia di sedute accomunate da un linguaggio iconico. Torcello si ispira alla forma familiare delle panchine in cemento, con un contrasto tra le proporzioni massicce, che danno un positivo senso di solidità, e la leggerezza della costruzione.

La panca Torcello ben si adatta all'arredo di diversi ambienti pubblici o privati. Realizzata in **CIMENTO®**, è disponibile in un'ampia gamma di cromie.

A family of seats joined by an iconic language. Torcello is inspired by the familiar shape of the concrete benches, with a contrast between its massive proportions, which give a positive sense of solidity, and the lightness of the construction.

*The Torcello bench is well suited to different public or private environments. Made of **CIMENTO®**, it is available in a wide range of colors.*
