TRONCHETTO sgabello stool — |

Monolitici e scultorei, i volumi puri sovrapposti della base e del corpo principale creano una totemica presenza dalle linee essenziali che dialoga con la delicata irregolarità della superficie in **CIMENTO®**.

Versatili e flessibili, le sedute Tronchetto, possono inserirsi con facilità in ambienti differenti, conferire dinamismo agli spazi o essere posti a contrasto con lo stile circostante. Adatte sia in ambito domestico che contract.

*Monolithic and sculptural, the pure juxtaposed volumes of the base and of the body create a totemic presence made of essential lines which dialogue with the delicate irregularity of the surface made in **CIMENTO®**.*

Versatile and flexible, Tronchetto stools are able to fit easily in different environments, to give dynamism to contemporary spaces or play in contrast with classic surroundings. Suitable for both domestic and commercial field.
