Forme naturali e morbide che ricordano ciottoli o piccoli atolli. Questi oggetti sembrano levigati dal tempo e si presentano con un aspetto "soft" che dialoga con la tattilità morbida della superficie, arricchito dal contrasto di cromie: il piano dei tavolini e il cuore - eccentrico - sono a volte in nuance tono su tono, altre in contrasto più netto.

La collezione di tavolini Vignole si compone di quattro elementi al contempo omogenei ed eterogenei per altezza, forma e colore, perfetti per impreziosire e dare unicità agli ambienti.

Natural and soft shapes remind of pebbles or small atolls. These objects seem to be smoothed by time and present themselves with a "soft" appearance that dialogues with the delicate tactility of the surface, enriched by the contrast of colors: the table top and the - eccentric - heart can be in contrast or in graduated nuances.

The Vignole coffee table collection consists of four elements that are at the same time homogeneous and heterogeneous in height, shape and color, and it is perfect for decorating and giving uniqueness to any environment.
